

## Greases

### **AUTOL TOP 2000 FETTSPRAY**

#### **CFC-free grease spray based on the AUTOL TOP 2000.**

**AUTOL TOP 2000 FETTSPRAY** is a special lubricant based on the proven AUTOL TOP 2000 Super Longtime Grease.

By applying as a spray, the grease can be applied in a targeted, economical and safe manner, even to lubrication points that are difficult to access.

The formation of bubbles ensures a uniform lubricating film and good creeping properties.

#### **Possible uses:**

**AUTOL TOP 2000 FETTSPRAY** is suitable for use in areas that are difficult to access, such as Bowden cables, ropes and chains, but also for friction points that are exposed to high impact loads, vibrations and / or strong weather conditions.

**AUTOL TOP 2000 FETTSPRAY** offers long relubrication intervals as well as good corrosion protection, it has proven itself in industrial use as well as in the hobby area.

**Attention!** Do not heat the spray can over 50 ° C and do not spray it into open flames or on glowing parts. Risk of accident!

When selecting the product, the manufacturer's instructions must be observed.
