## Engine protection

### APPLICATIONS

Synthetic lubricant specifically designed for modern Renault gasoline and Diesel engines (2018 onwards) requiring a Renault RN17 approved oil.

It is suitable for use also in all vehicles where a Renault RN 0700 or RN0710 oil is required.

In order to choose the right oil for your vehicle, consult the owner's manual for the manufacturer's recommendations.

### CUSTOMER ADVANTAGES

- **Eni i-Sint tech R17 5W-30** ensures outstanding engine cleanliness, valvetrain wear protection and strong durability also in the most extreme driving conditions.
- Its special formulation helps to increase the engine efficiency by ensuring greater corrosion and oxidation protection and compliance with oil change intervals.
- **Eni i-Sint tech R17 5W-30** is officially approved by Renault against the new RN17 standard that replaces the old gasoline specifications, RN0700 and RN0710.
